MORETOWN VERMONT

Moretown Planning Commission invites you to take a short 11-question survey to guide zoning changes.

Zoning changes are being designed to make sure our Town's zoning regulations meet our community's needs, especially as they relate to housing. We also have a question exploring your interest in centralized wastewater, given the availability of federal funds for such projects.

The purpose of the revisions are to:

- Streamline Permit Process
- Encourage Housing
- Realize Energy and Broadband Goals
- Preserve Natural Resources

How to access the survey:

- Visit the town website and take the survey on-line
- Scan the QR code located above with your cell phone camera to take the survey electronically
- Pick up a paper copy at the Town Office located at 79 School Street, Moretown
- Contact Planning Commissioner Deb Carroll at

Moretown received a Municipal Planning Grant (MPG) from the Department of Housing and Community Development to update and revise its zoning regulations this year.
