6. Website Content Management / Instagram

Mike sent Darlene updates of tentative court scheduling calendar and is working on converting facilities sign from PDF to JPG. Chris will investigate Trailforks open/closed trail notices.

Chris will check on creating an email address (webmaster@moretown.org) for a committee Instagram page.

7. VOREC / MRV Conservation & Recreation Visioning Chris continues to attend multiple meetings per month to represent Moretown and contribute to the future vision. The visioning team has documented a draft 'current state' view of recreation in the valley, and of ecological integrity. This will be shared at a public forum. All are encouraged to attend. EVENT: Wednesday May 29th, Lareau Farm Pavilion in Waitsfield 5-8pm For more information on the project check out: <https://www.mrvrd.org/about-crv>

8. Soccer Club Field Use

Don Haddox has insurance and Moretown is already listed as co-insured.

Licensed coaches are not practical. Licensing cost thousands of dollars so licensed coaches are not readily available.

The fees charged will be reasonable and scholarships are available. Don has not turned participants away.

Mike moved to approve the field use subject to meeting town insurance requirements and proper supervision to participant ratios. Seconded by Lee-Anne. Approved

9. Tennis Court game offerings

Susan has designs for 4 Square and will look for volunteer painters.
